

## ENERGY STAR for New Homes Rebate Application

### Eligibility Requirements:

- Builder must be a registered ENERGY STAR Partner. Agreement is located at [www.energystar.gov](http://www.energystar.gov).
- Builder or HERS Rater are required to submit an MVEC ENERGY STAR Participation Form.
- Home must be a new single-family residence served by Magic Valley Electric Cooperative, Inc.
- Builder must select an accredited HERS Rater and work with the Rater to identify energy efficiency measures to meet or exceed ENERGY STAR specifications.
- Builder must construct home in accordance with measures selected.
- All ENERGY STAR qualified homes must be inspected and tested by a third-party certified RESNET Home Energy Rating Company to verify homes predicted performance. Builder will determine the best testing methodology to certify the home. The home must achieve a minimum HERS Index of 85 to qualify as an Energy Star Home.
- Incentives will be paid to registered home builders that complete and submit certification of the construction of new ENERGY STAR Qualified Homes in the MVEC service territory from January 1, 2010 through December 1, 2010.
