Important Notes & Optional Equipment Pricing

- Installation charges and wireless router charges will be collected at the time of installation. Only personal checks (valid ID required) or money orders will be accepted. **NO CASH WILL BE ACCEPTED. **PLEASE MAKE CHECKS PAYABLE TO: VTX Communications****
- All customers will be monitored for excessive continual usage of the network. At 40 minutes of continuous use at 80% or greater of customers selected bandwidth, the package will be slowed to 20% of the selected bandwidth for 30 minutes. After the 30 minutes and discontinuation of excessive continual use, speed is set back to package maximum
- MVEC members are eligible for MVECnet services upon review of electric credit history.
- Installation of Wireless Broadband Internet Service includes a subscriber module, internal or external modem, power supply, and weatherized Category 5E cable run to customer's equipment room
- Wireless router may be provided for **\$100** upon customer request. The setup, service and support will be provided at no additional charge for the term of the agreement
- One dynamic IP address is provided with all Wireless Broadband Internet Service packages. Static IP addresses, if required, will be provided at **\$10.00** per address per month. In most cases, one IP address will be sufficient, and virtually unlimited IP addresses may be created using a private customer network addressing scheme
- Additional email inboxes are available upon request and will be billed at \$2.00 per month
- **Two email administration requests** (to add, change, or delete email boxes) per month are included with email services. Additional email administration requests will be billed at **\$39.00 each**. Email administration requests are initiated and confirmed by email
- **Spam filtering service** provided for MVECnet email boxes only for **\$.50 per mail box per month**
- **Additional work** outside of what is defined above will be billed at **\$75.00/hr with a 2 hr minimum**. If additional equipment is requested and/or needed, additional charges will apply.
- **Additional cable drops** can be provided for **\$100 per drop**
- **Domain name service requests: \$35.00 per DNS per year**
